Fred Wallis

For the last couple of years Fred has been our “go-to” guy for questions and repairs for our computers. So folks when you see Fred, thank him for his past help and remember, he is now retired from the computer business here in the park.

Angie McClanahan is now the Greeting Card Lady

The Sunshine Committee is designed to celebrate Birthdays and Anniversaries, along with letting you know that someone is thinking of you when you are not well or if a loved one has passed. These are the times that I would love to send a card to you. In order to do this I need to hear from you.

Please keep my phone number so if you hear of someone sick, passing, or in need of a smile or card, let me know.

I would also appreciate it if you would take a minute and fill in the form at the bottom of this little note and take it to the office or you can call and leave a message. Then I'll be prepared to help you celebrate your birthday or anniversary with greetings from Heritage Ranch.
