CRAFTER'S CORNER – March has been a fun month. Thanks to Eva and Lorene for sharing their crafts with the class. Due to the fact that many of us are leaving for the summer, we will not be meeting again until the fall. Watch the newsletter for dates.

SATURDAY NIGHT PARTY

Wow! Another record setting crowd! Along with the Potato Bar, Maki Du Fashion World's very own Aoifa (pronounced EE-FA) gave us a wonderful Irish presentation, Leprechauns and all!

April's party will be on April 30th with a Hawaiian Theme. So be sure to dig out those Hawaiian shirts and dresses, and join in the fun. We'll start at 4:00 with dancing and videos, dinner at 5:30, games and fun after dinner, and then more dancing after that. We'll be dancing to a selection of country, rock n' role, and 50's music.

Thanks to Linda H and her cooking crew, we will again offer \$1.00 tacos, and \$5.00 plates that include 2 tacos, homemade rice and beans. Chips and Salsa will be available for snacks. Bring something that you'd like to share with the group for our snack table.

Note about reservations: We have noticed that some tables are reserved and still empty after 4:30. This is not fair to those who come early and need a seat. To be fair, all reservations will be held until 4:30, and after that time, seats will be returned to a first come – first serve basis. Thanks!

PING PONG

The Ping Pong Players are extremely grateful for the support of the Heritage Ranch Board and Activity Committee who purchased two new high quality tables. In addition, we received an anonymous donation of additional paddles and balls. We also want to thank all those who attended the Potato Bash, which helped us raise some of the money. The kindness of those helping us promote this exercise has been overwhelming. Thank you so much!!

Each week someone new has been stopping in to join in the fun. We hope everyone interested starts coming to our weekly meets: EVERY WEDNESDAY and FRIDAY at 6PM in the Ballroom (when there isn't another event scheduled). We also have made one table available for residents if you want to just stop in and play at other times. Please return it as you found it, to the upright position in the corner of the ballroom when you're done.

It doesn't matter what level you are. We have beginners and advanced, and now can play up to 8 people (doubles) at one time. If you played when you were young, it'll come back to you (even though you may be older and can't see as well). :-) There's no pressure. Just good old fashioned friendly fun. Stop in! We're happy to have more people playing. Questions or need help setting up?

BOARD NEWS:

Board Agenda Meeting – 4/13, 7:30 pm

Board Meeting – 4/20, 7:30 pm -- Coffee and Cookies to follow

NOTES:

SWAP MEET – We had a big success this year! Thank you to all our many great volunteers, without your help we could not have done it. A special thanks to Brady S – the sign was perfect. With the sale of 41 tables, the Activity donation table and the kitchen we earned a nice profit for our Heritage Ranch Activities. The Swap Meet Committee

BBQ RIBS – I think all will agree that the ribs just get better and better. We had a wonderful turn out with constant service from 1 pm to 6 pm. Sandy M and her crew deserve a standing ovation! If you didn't make it this time, watch for future announcements. The Editor

WII BOWLING & TENNIS – This activity has been cancelled due to a lack of interest. William F

RECYCLE – Please bring all your drink containers (aluminum and plastic only) to the Heritage Ranch recycle center rather than putting them in your trash. These containers will be marked “CA Cash Refund” or “CA CRV” (CRV stands for California Redemption Value) and you pay into the fund when you purchase these items. Monies from this activity goes to support your Activities Committee.

HAZARDOUS MATERIALS – These are materials that we do NOT want to put into our trash cans. The most common items you will find in your home are fluorescent light bulbs, batteries, cleaning/gardening chemicals, paint (empty containers can go in the trash), old prescriptions and all electronics (TVs, computers, etc.). Please collect these items for turn in at the Lamb Canyon Landfill on designated dates. We will publish their flyer each month that they have a scheduled drop off's. The next one will be May 14. Any questions or need help transporting the items contact Kate G
