Activity Committee

Chair-people

Activity Committee would like to remind everyone, if you chair an event, we highly recommend that you attend the activity meeting. If you cannot attend, then we suggest that you have someone to represent you and your event. It is important to inform the Activities group what is going on at your events so there are no misunderstandings.

Thank you, Activity Committee

Web-TV

Activity Committee and the Computer Club have put a web-TV channel together so that only Heritage Ranch Community can view. You can view videos of the events that take place at the Ranch alone with pictures and other information that will be helpful for our community.

The address is heritageranchtv.com. You will need a user name and a password so you can email activities@heritageranchusa.net to obtain that information.

Kathe S., Activities Chairperson

The Ping Pong Players are meeting on Fridays only thru the summer months. The tables are out and paddles and balls are available for anyone to play at any time that the ballroom is not being used. Questions, or need help setting up, call Susie M. Hope to see you on Fridays!
